Dear Parents,

We have resorted to the online system of education for our students due to the pandemic and safety concerns for everybody. We have made available online platforms viz Zoom (licensed copies) and Microsoft teams for the purpose of teaching.

Please be aware that our children are operating gadgets, with internet access. Many of them are using the internet for other things besides academic work. We as teachers will continue to educate them about cyber safety. However we request the parents too, to monitor online activity. Please instruct students not to share login credentials with any outsider, even a close family member.

**Please also check that the link for joining the online sessions is not shared with anybody, whether it is for the Zoom platform or MS Teams.**

**For MS teams users: Note down the user name and password in a safe place so that there is no delay for joining on a day to day basis.**

If you notice any suspicious activity, please report to CT/Coordinator immediately and leave the sessions.

Lets all be safe and protect our children from any untoward incidents as a result of cyber bullying.

  
Principal
